Activity 2: Creative Task Instructions

How to make a pop up collage

A pop up collage is a great way to create a perspective image of something you'd like to visually explore. For example it could be an ideal home, a park or a community space, depending on your project.

Instructions:

Step 1: Fold along the dotted line 1
Step 2: Cut along the solid lines
Step 3: Fold along the rest of the dotted lines
Step 4: Stick your collage pieces on or draw
Step 5: Stand your piece up like the image below:

Below is an example from one of pilot studies, exploring what a future playground might look like:
